Opening Session Keynote

# Attendee Satisfaction

*What attendees said about the Conference*

*"The AEE Europe Energy Conference provided invaluable insights into the current state of the energy sector and emerging opportunities. As an energy professional, I found the environment both informative and welcoming. Highly recommended for anyone looking to expand their industry knowledge."*

*"I learned a lot from them and from the speakers. I was also encouraged to start a student chapter in my university which I am looking forward to in the coming months."*

*"A great well planned and executed event that builds enthusiasm and reinvigorates passion in the Energy Efficiency sector."*

*"AEE Europe was a great opportunity to hear from European colleagues about their challenges and solutions, related to energy management and energy efficiency in the industrial sector."*

**99%** of attendees rated the conference program as **good, very good or excellent.**

**77%** **were inspired** to make changes at work for their company, client or career.

**92%** **learned new skills, and gained knowledge** about products, technologies, or services that they can apply to their career, work, or project.

# Networking Hub

**92%** of attendees rated the Networking Hub as **good, very good or excellent.**

*What attendees said about the Networking Hub*

*"An opportunity to partake in intellectually enriching dialogues with a multitude of esteemed energy professionals."*

*"It was an enriching experience meeting with industry changemakers in Paris. I left with many connections "*

*"Fantastic venue. Great experience and great networking!"*

*"Great opportunity to meet European energy experts in person!"*
